

QUT PARTICIPANTS WANTED

have your say about DVA's treatment cycle arrangements

QUT are seeking people with lived experience of the Department of Veterans' Affairs treatment cycle arrangements to participate in a survey to provide feedback on their experiences.

Are you a **DVA client, General Practitioner or Allied Health Provider** that has transitioned to the allied health **treatment cycle arrangements**?

QUT would love to hear from you!

The survey will take 10 minutes of your time, and you will be contributing to an important evaluation of the current DVA treatment cycle arrangements.

Follow the link for more information, including access to the survey: <https://www.qut-dva-treatmentcycles-evaluation.com>
