**CAPITAL
PATHOLOGY**
Quality is in our DNA

Proudly supported by Capital Pathology

Capital Pathology is a Canberra based, medically managed comprehensive specialist pathology practice. We have provided quality pathology services to the ACT, Goulburn, Cooma, Jindabyne, South Coast and surrounding regions for over 45 years and we are committed to quality, service excellence and our Mission 'We help doctors help patients by providing specialist pathology services'. We have over 40 collection centres conveniently located throughout the region.

Our team of 9 specialist pathologists is located at our Deakin Laboratory. Our pathologists are not only directly involved in all clinical and ethical matters, but they also play an integral role in management decisions. They maintain close clinical relationships with our referring doctors and provide a comprehensive consultative and educational service. This continual specialist guidance provides the framework for the integrity and quality of our pathology service.

DRS4DRS

We are here to help Doctors and Medical Students stay healthy

DRS4DRS has been developed by the medical profession for the medical profession.

Through our network of doctors' health advisory and referral services, we offer an independent, safe, supportive and confidential service.

DRS4DRS promotes the health and wellbeing of doctors and medical students across Australia.

We're here to help you find the support you need – online resources, referral services and importantly for wellbeing, we'll help you find a GP.

Telemedicine support 24/7, 365 days a year, free to the profession.

Complementing the State services, DRS4DRS offers a confidential telehealth service specifically for doctors and medical students who are struggling with their mental health.

DRS4DRS

DRS4DRS WEB RESOURCES AT YOUR FINGERTIPS!

www.drs4drs.com.au

As well as providing signposts to the State services and the telemedicine mental health support service, you will find the following useful resources on our website.

<https://www.drs4drs.com.au/staying-well/>

Being a doctor's doctor

We know that caring for and treating your colleagues can be challenging.

We have developed some learning modules to help you understand your own health as well as information to help you care for medical student and doctor patients.

These learning modules are free and you can apply for CPD points.

<https://www.drs4drs.com.au/become-a-dr4drs/>

Once you have completed these modules, you might like to join other colleagues who are supporting the profession and medical students. Details on our home page.

Stay well

We have some practical five-minute guides on the topics which impact doctors the most. These include: Balancing parenthood and medicine; exams; bullying; compassion fatigue; coping with failure; burnout ... and more.

Of course, we also have some information for you on your annual health check with your GP here too.

<https://www.drs4drs.com.au/staying-well/>

Resources library

We know there are lots of resources to help doctors stay healthy and we've collected a few for our resources library.

A recent addition is the link to the "Every Doctor, Every Setting: A national framework to guide coordinated action on the mental health of doctors and medical students", which DRS4DRS supports.

CARING FOR DOCTORS

We've been looking after doctors and their families in the ACT and NSW for over 125 years, offering confidential financial assistance and counselling support in times of adversity or crisis. Whether your issue relates to work, family, addiction, health, loss or financial hardship, we are here to ensure you have the best chance of a full recovery.

Our support is free, independent, non-judgmental and does not require a referral.

So, if you or a colleague has fallen on hard times, please call our Social Work Team on **02 9987 0504** for a confidential chat.

If you don't need our help now, please show your compassion and support us with a tax-deductible donation so we can continue this vital work.

Visit our website www.mbansw.org.au for INFORMATION or to DONATE.

PsychSessions is a Canberra-based psychology practice with clinics in Deakin and Canberra City. We provide clinical psychological therapy and treatment for a wide variety of mental health conditions, including depression, anxiety, insomnia, sleep problems and eating disorders.

We are all highly trained psychologists and clinical psychologists with post-graduate degrees in clinical psychology, and are unconditionally registered with AHPRA. As such we apply evidence based treatments which have been shown to effectively treat mental illness, restore functioning and prevent relapse in most patients.

In conjunction with the Canberra Sleep Clinic we provide multi-disciplinary assessment and treatment of complex insomnia and other sleep problems.

Doctors' health resources

Are you looking for a GP?

If you're a junior doctor or medical student and looking for a GP please contact AMA (ACT) and we will assist you to find a local GP.

Doctors' Health Resources online

AMA's Doctor Portal:

<https://www.doctorportal.com.au/doctorshealth/resources/>

doctorportal

JMO Health:

<http://www.jmohealth.org.au/>

Partly funded by DHAS and a range of other organisations.

Doctors Health Advisory Service

<http://dhas.org.au/resources/resources-for-junior-medical-officers.html>

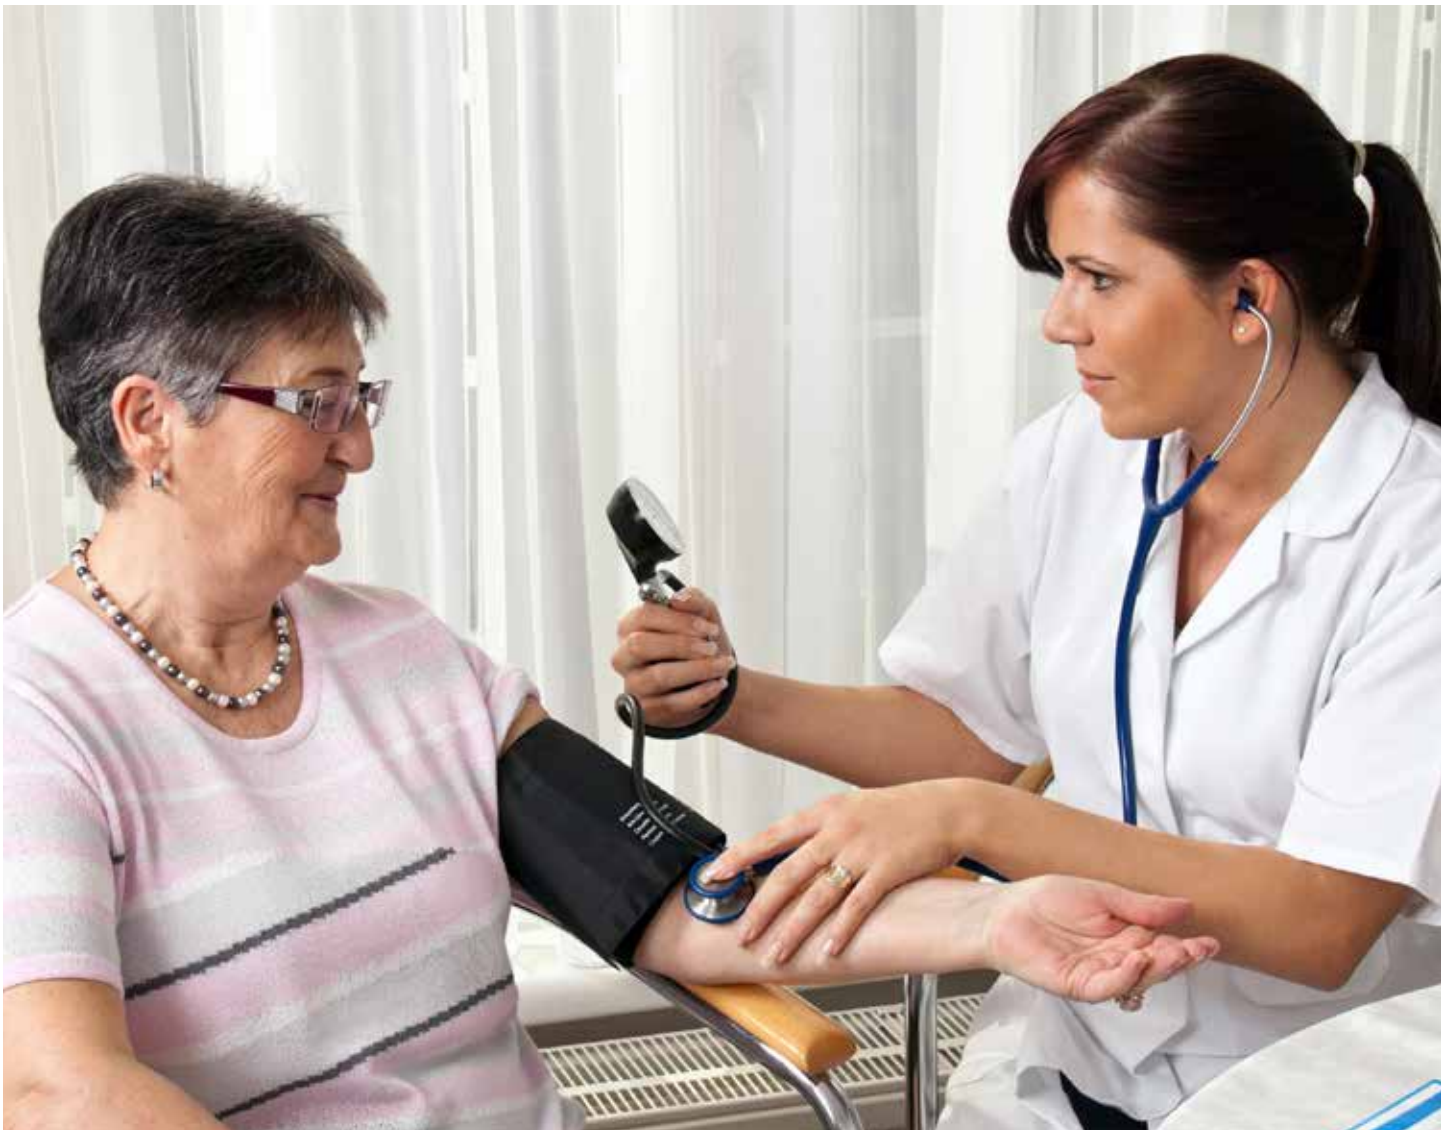

On the DHAS website itself.

AMSA students and young doctors:

<http://mentalhealth.amsa.org.au/about-the-campaign/>

<http://mentalhealth.amsa.org.au/keeping-your-grass-greener/>

It's always the right time to join the AMA

Further information on the benefits of membership can be found at
<https://act.ama.com.au/>
or by phoning the AMA ACT secretariat on **6270 5410**

Get your entry in for the 2022 Specialist Directory

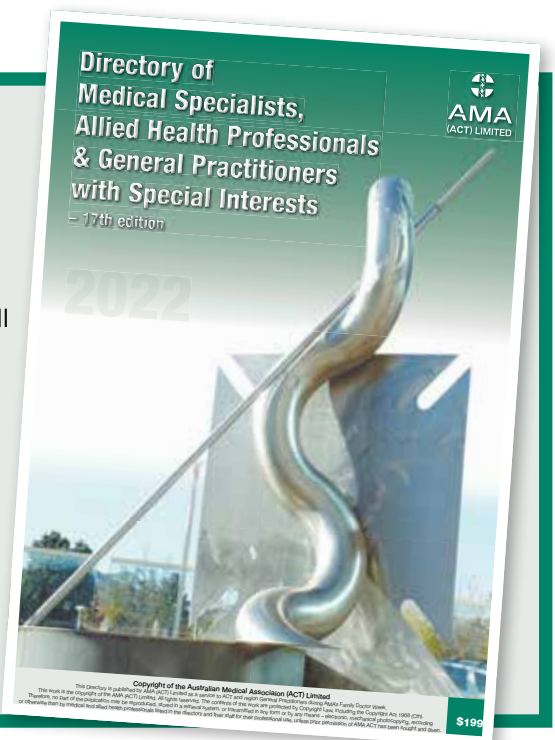

This Directory will be published as a service to ACT General Practitioners in 2022 and distributed during July as part of "Family Doctor Week".

All existing entries will be automatically included, a confirmation letter will be sent to all practitioners listed to allow for updates where necessary.

For new entries, the application form must be completed.

In order to be included, it is mandatory that you have registered specialist qualifications recognised by AHPRA (specialist medical practitioners/GPs), AHPRA registration (allied health practitioners excluding dietitians) and dietitians should be in good standing with their professional body. AMA membership is NOT a requirement for entry in the directory.

**For further information call 6270 5410
or download the application form from
