**CAPITAL  
PATHOLOGY**

## Proudly supported by Capital Pathology

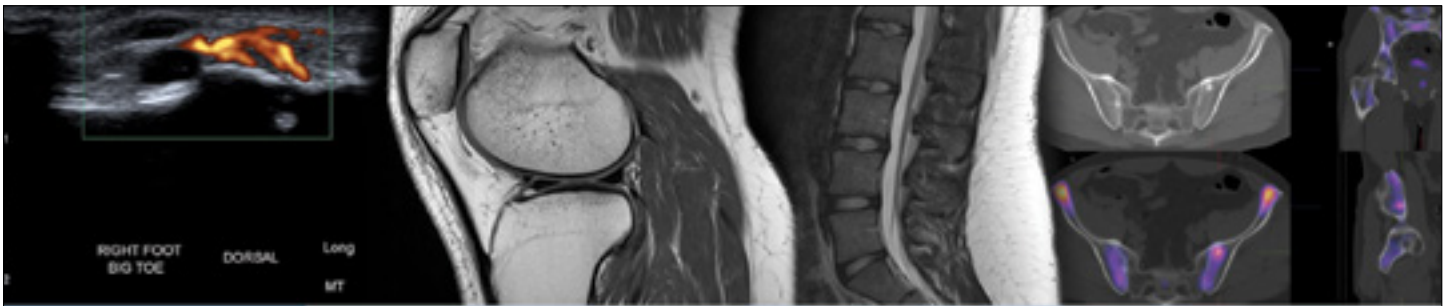

Capital Pathology is a Canberra-based, medically-managed comprehensive specialist pathology practice. We have been providing quality pathology services to the ACT, Goulburn, Cooma, Jindabyne, South Coast and surrounding regions for nearly 50 years. We have more than 40 conveniently located collection centres across the region.

Our team of 9 specialist pathologists is located at our Deakin laboratory. Our pathologists are not only directly involved in all clinical and ethical matters, but they also play an integral role in management decisions. They maintain close clinical relationships with our referring doctors and provide a comprehensive consultative and educational service. This continual specialist guidance provides the framework for the integrity and the quality of our pathology service.

### How to contact us:

Client Services	(02) 6285 9805
Doctors Service Centre	(02) 6285 9803

If you would like more information on our services or to have a visit please contact our Client Services Department, or visit our website at [www.capitalpath.com.au](http://www.capitalpath.com.au)

## You can take our **Clinical History** into account...

Canberra Imaging Group is one of the longest established medical imaging practices in Canberra and surrounding NSW.

Your local diagnostic imaging service provider with **60 years of history** supporting the local community, Canberra Imaging Group have an ongoing commitment to the highest standard of imaging quality and service excellence.

[www.canberraimaging.com.au](http://www.canberraimaging.com.au)

- 14 Specialist Radiologists and Nuclear Medicine Physicians
- 10 convenient locations across the ACT and southern NSW
- Providers of PET/CT and Nuclear Medicine services
- Specialist referred MRI bulk billed
- The premier provider of specialist Breast imaging in the ACT
- Advanced MRI Services utilising 3T technology including non-invasive Prostate imaging
- A dedicated Angiography and Interventional Suite
- Accredited provider of ultra low dose Cardiac CT
- A dedicated and hassle-free workers' compensation service – no upfront costs

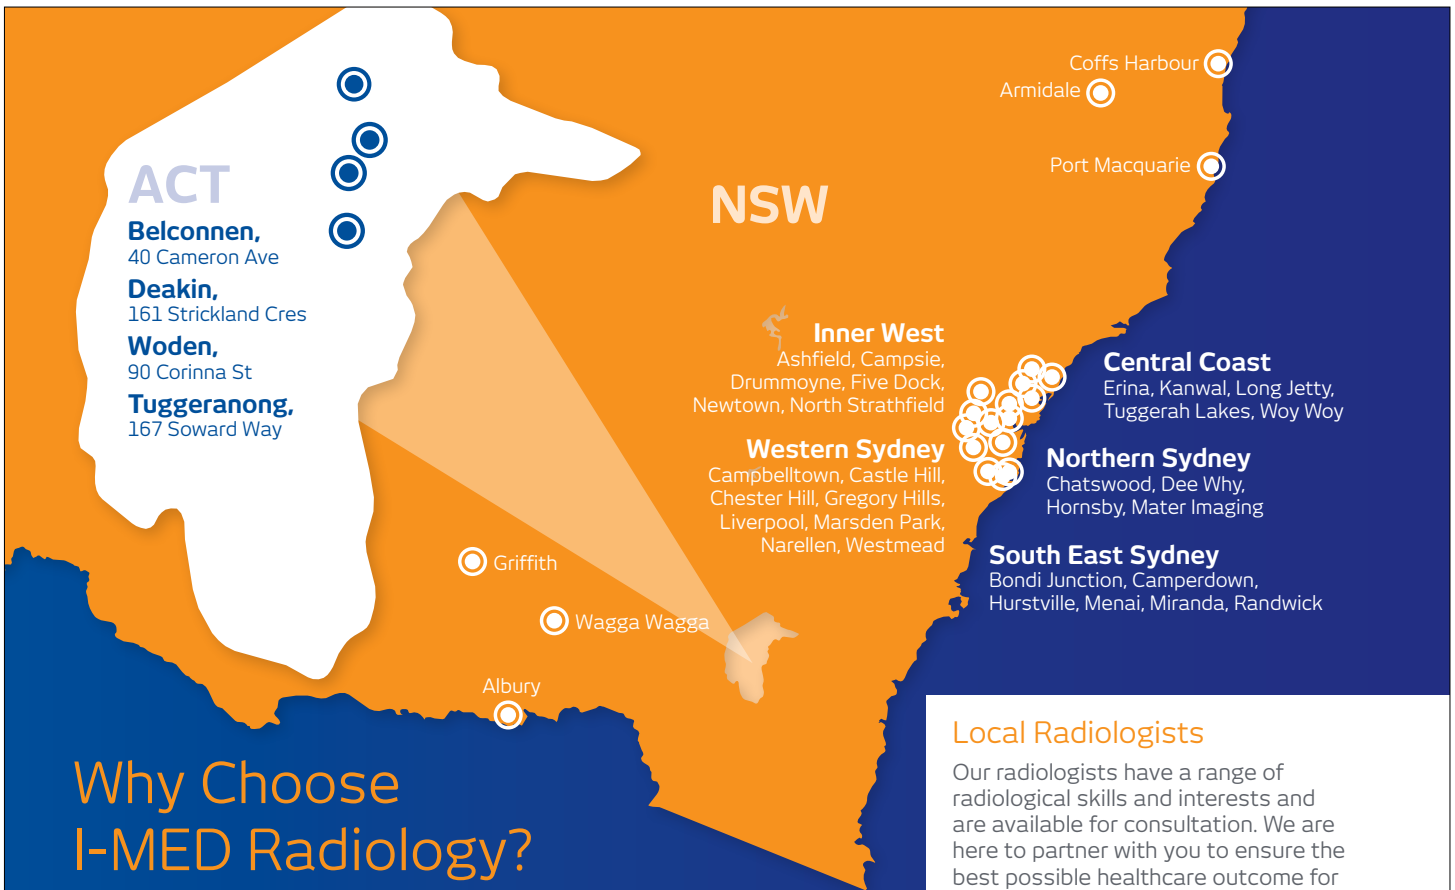

For patient bookings or enquiries, please phone 1300 788 508

For workers' compensation bookings or enquiries, please phone 1300 799 870

## Why Choose I-MED Radiology?

Across Australia, I-MED Radiology Network operates 250 clinics and performs over 6 million patient procedures each year, making us one of the largest providers of medical imaging in the world. With over 350 doctors and 4,000 staff actively sharing clinical knowledge and expertise, a consistently high level of service is assured across all clinics.

### Digital Service Offerings

- I-MED Online:** allows easy access to reports/images anywhere, any time on any device.
- e-Referral:** your requests for imaging can be sent directly to us via our e-Referral platform.
- Online Bookings:** your patients can book their appointment online at a time and location that suits them.

### Regional Offering

Our commitment to maintain strong regional service provisions; including comprehensive modality offerings and an onsite radiologist is important to us and something we actively pursue. As a result, in 2022 we introduced the first MRI service to the south side of Canberra in Tuggeranong. We are here to partner with you to ensure the best possible healthcare outcome for your patient.

### Local Radiologists

Our radiologists have a range of radiological skills and interests and are available for consultation. We are here to partner with you to ensure the best possible healthcare outcome for your patient.

**Dr Kughan Gunaratnam,**  
MBBS, BSc (Med), FRANZCR

**Radiological skills & interests:**

- General Radiology
- CT
- CT Coronary Angiogram
- MRI
- Paediatric Imaging
- Imaging guided procedures/biopsies

**Dr Himanshu Diwakar,**  
MBBS, MD, FRANZCR

**Radiological skills & interests:**

- Imaging guided procedures/biopsies
- CT Coronary Angiography
- MRI (body) hepatobiliary
- MR Enterography, Prostate, Pelvis

**Dr James Bain,**  
BSc (Hons), MBBS, MMed (Surg)

**Radiological skills & interests:**

- Body Imaging
- Imaging guided procedures
- Musculoskeletal MRI

**Dr Jade Lee,**  
BMedS, MChD, Grad Dip Anatomy, FRANZCR

**Radiological skills & interests:**

- Vascular Radiology
- Imaging guided procedures

# BreastScreen ACT

 **13 20 50**

**FREE 2 yearly breast screening mammograms for asymptomatic ACT resident women aged 50–74 years.**

\*Women aged 40–49 and 75+ can access free screening, but are not routinely reminded.

**FREE screening for asymptomatic women, no referrals needed.**

Women with symptoms, refer for private imaging.

## BreastScreen ACT offer:

- Free screening mammogram for asymptomatic women
- Follow up assessment if required (Tomosynthesis, ultrasound, biopsy)
- All images are screen read by at least two radiologists
- Screening clinics at the following Health Centres:

 Canberra City  Phillip  Belconnen

**Appointments are available now  
Call today 13 20 50**

For GP specific enquiries contact: **A Clinical Coordinator** on 6205 5053 to leave a message, or direct 5124 1816

BreastScreen ACT acknowledges the traditional custodians of the land and their continuing culture and connection to the life of this area. We strive for an inclusive service with love and respect at the heart of what we do.

## How Cancer Council ACT supports doctors to provide the best cancer care:

### Cancer services directory

Access an extensive listing of services across Canberra and surrounds for all aspects of cancer care, from wellbeing to practical needs and ongoing support.

### Cancer information resources

Access digital and printed copies of booklets, pamphlets and information sheets on cancer types, cancer care and cancer prevention.

### 13 11 20 information and support phone line

For tools and resources to help support people living with cancer, call to talk to our healthcare professionals, 9am–5pm, Monday to Friday.

**Email our Cancer Support Coordinators today and find out how we can help you: [cancer.information@actcancer.org](mailto:cancer.information@actcancer.org)**

# Welcome to in.motion Orthopaedics.

The home of excellence  
in orthopaedic surgery.

Dr Damian Smith achieves life changing results for patients. Dr Smith has over 20 years' experience in orthopaedic surgery, domestic and international surgical Fellowships in hip and knee joint replacement surgery, arthroscopic knee surgery, paediatric orthopaedics, is a member of the Australian Medical Association, a trauma and fracture specialist and an early adopter of the Mako robotic-arm surgical support machine and is a lower limb specialist.

Supported by a team of dedicated professionals, InMotion Orthopaedics takes the time to understand every patient and cares for them on their journey to recovery.

- Robotic-arm assisted total knee, partial knee and total hip replacement procedures
- Lower limb surgical procedures
- ACL Reconstruction
- Knee Arthroscopy
- Sports injuries
- Non-surgical options, advice and integrated care

## Integrative approach

Optimising long term mobility outcomes through exploration of non-surgical options, providing advice on exercise, nutrition and lifestyle or working with other practitioners to develop your post-surgery treatment plans

## Advanced technology

We stay up to date in world-leading orthopaedic technology and were instrumental in bringing Robotic assisted surgery to the Canberra region. Evidence shows the precision and accuracy of robotic surgery improves the feel and longevity of the replaced joint.

## Personalised care

We know everyone's health journey is completely different. Regardless of age, condition or injury, we listen, share the options and customise treatment plans that are right for the individual.

Appointments can be made by phone 02 6221 9321 or email [admin@inmotionortho.com.au](mailto:admin@inmotionortho.com.au)

## Dr Katherine Gordiev Orthopaedic Surgeon

Shoulder and Upper Limb

MBBS (Hons I) (Univ of Sydney) FRACS FAOrthA

Dr Gordiev specialises in Arthroscopy, Reconstruction, Replacement and Trauma of the Shoulder and Upper Limb. This includes arthroscopic and open shoulder stabilisation, shoulder replacement, rotator cuff repair, elbow, wrist and hand surgery.

Dr Gordiev has practiced in Canberra for over 18 years. She undertook Orthopaedic training in Sydney and Canberra and further specialised for 18 months at the Cleveland Clinic in the USA.

Dr Gordiev seeks to ensure that her patients are well informed about all treatment options available to them and to offer a high standard of operative treatment and aftercare.

Please contact us for advice or more information:

## CARING FOR DOCTORS

We've been looking after doctors and their families in the ACT and NSW for over 125 years, offering confidential financial assistance and counselling support in times of adversity or crisis. Whether your issue relates to work, family, addiction, health, loss or financial hardship, we are here to ensure you have the best chance of a full recovery.

**Our support is free, independent, non-judgmental and does not require a referral.**

So, if you or a colleague has fallen on hard times, please call our Social Work Team on **02 9987 0504** for a confidential chat.

**If you don't need our help now, please show your compassion and support us with a tax-deductible donation so we can continue this vital work.**

**Visit our website [www.mbansw.org.au](http://www.mbansw.org.au) for INFORMATION or to DONATE.**

CANBERRA  
FOOT SURGERY

## PODIATRY & PODIATRIC SURGERY

New  
clinic open  
in Deakin

With a focus on person-centered care, we deliver general podiatry and podiatric surgery using groundbreaking technology and innovative treatments.

**Dr Nicholas Studdert**  
Doctor of Podiatric  
Medicine and Doctor of  
Podiatric Surgery

Canberra Foot Surgery's founder and podiatric surgeon, Dr Nicholas Studdert has particular clinical interest in forefoot surgery, including bunions and hammer toe correction, as well as increasing patient mobility and paediatrics. He provides advanced podiatric assessment and treatment including photobiomodulation and injection therapy. For all patients, Nicholas' priority is to ensure the development of a pathway to symptom reduction and long-term recovery.

Unit 4, 19 Napier Close, Deakin | Phone 6105 9555 | Fax 6169 3227

## Get your entry in for the 2023 Specialist Directory

This Directory will be published as a service to ACT General Practitioners in 2023 and distributed during August.

All existing entries will be automatically included, a confirmation letter will be sent to all practitioners listed to allow for updates where necessary.

For new entries, the application form must be completed.

In order to be included, it is mandatory that you have registered specialist qualifications recognised by AHPRA (specialist medical practitioners/GPs), AHPRA registration (allied health practitioners excluding dietitians) and dietitians should be in good standing with their professional body. AMA membership is NOT a requirement for entry in the directory.

#### Register your details:

- You can fill out the registration form on the other side of this page, or
- download the application form from [ama.com.au/act](http://ama.com.au/act)

For further information call 6270 5410 or email: [reception@ama-act.com.au](mailto:reception@ama-act.com.au)
