# Your Pathway to a Medical Career with Wide Bay

With the largest health infrastructure investment our region has ever seen – where will you be in 2027?

The opening of the new Bundaberg Hospital is the largest health infrastructure investment our region has ever seen with the inclusion of 29 additional emergency department treatment spaces as well as 2 additional operating theatres, including capability of cardiac procedures.

No matter whether your speciality is Emergency Medicine, Surgery, Obstetrics and Gynaecology or Intensive Care Medicine, the new state-of-the-art facility is your gateway to career growth.

Building a bigger and better hospital will deliver the community more quality healthcare closer to home, reduce wait times, and improve the overall patient experience. It will also provide enhanced and integrated

teaching and training environments for our current and future doctors, nurses, allied health and non-clinical professionals.

Your career opportunities with Wide Bay will be ever growing as our Hospital and Health Service continually expands to cater for our growing population.

In recent months we have celebrated the opening of the new Fraser Coast Mental Health Inpatient Unit (FCMHU) at Hervey Bay Hospital.

With stage one of the FCMHU complete, the new 22-bed facility is already having a profound impact on mental healthcare services. Our Psychiatry Medical Officers are joined by a multi-disciplinary team, including Nursing and Allied Health staff.

Wide Bay HHS offers RMOs:  
• Great access to consultants and

senior staff with fantastic teaching and training opportunities

- Rotations are offered and grouped to suit different career paths including physician training, emergency training, Dip Obs, Dip Paeds
- Career guidance and mentoring from the Director of Clinical Training and Medical Education Officer

Eligible applicants who move to a rural facility may receive up to \$70,000 incentive payments or up to \$20,000 if relocating to Bundaberg, Hervey Bay or Maryborough.

Blessed with pristine waterways, unspoilt coastline and an encapsulating diversity of landscapes – be forever changed by the beauty of the Wide Bay region.

From shoreline to hinterland, take a chance to progress your career and discover your desired lifestyle with Wide Bay.
