AMA Queensland membership

Join now

What is AMA Queensland?

The Australian Medical Association (AMA) Queensland is the state's peak medical body representing Queensland doctors and medical students. Nationally, the Australian Medical Association represents all doctors, including residents and registrars, public and private specialists, and general practitioners.

We are proud to be supporting Queensland doctors throughout every stage of their career and creating better health outcomes for our community and profession.

We assist members through the secretariat who specialise in workplace relations, media and public relations, lobbying campaigns and policy development for the betterment of the medical profession.

We also actively campaign for the rights of patients, better services in the public system, guaranteed freedom of choice in the private system and the right to access high quality medical services.

AMA Queensland's *Advocacy Priorities 2024-26* outline the pathway to better health for Queensland doctors, patients and communities. We aim to work with doctors and all levels of government to improve the efficiency, transparency and accountability of the Queensland health system.

The AMA has a long and proud history of advocacy on behalf of doctors and their patients.

We are continually striving to improve our service to members and maintain the AMA's position at the forefront of the profession.

What are the benefits?

Besides being a part of the state's most trusted peak medical association that advocates on your behalf as a doctor in Queensland, you will have access to a range of exclusive discounts and special offers.

Between our members-only benefits program, you can save money on everything from fuel and food to holidays, technology and fashion across Australia.

You will also receive updates on everything happening in Queensland healthcare and our work to protect and advocate on your behalf through our fortnightly newsletter *Connect* and our quarterly magazine *Doctor Q*.

Why should I become a member?

Explore the benefits of AMA Queensland membership:

- ▶ save money through exclusive member benefits
- ▶ access expert workplace relations support
- ▶ connect with colleagues at our many events
- ▶ access trusted corporate partners that specialise in our profession
- ▶ receive joint membership with and industrial relations support from ASMOFQ
- ▶ stay informed with member-only access to updates, publications and resources
- ▶ influence policy and advocacy through our Board, Council, committees and groups

- ▶ join our campaigns supporting doctors from all crafts and communities
- ▶ follow us and join the conversation on Facebook, LinkedIn, Bluesky, Instagram and AMA Queensland Member Portal
- ▶ give back to your community, including medical students facing financial hardship, through our charity AMA Queensland Foundation.

Committee of Doctors in Training

As a member you get a front row seat to the work of our dynamic Committee of Doctors in Training (CDT) who advocate on behalf of all junior doctors. With regular updates via *The Script* newsletter, you will be able to see the work they undertake to better the lives of medical students and junior doctors. The CDT created the *Junior Doctor Conference* to ensure these groups could meet, be inspired and discuss the issues affecting them. There are usually hands on sessions too!

One of the most important campaigns created and carried out by CDT, in partnership with ASMOFQ, the Doctors' Union, is the annual *Resident Hospital Health Check*. The survey gives a voice to hardworking but vulnerable junior doctors about their working conditions and training opportunities at their hospital. In turn, we create and distribute a report on each hospital's performance and work with Hospital and Health Services on ways they can improve.

Medical Student Scholarships

See us on booth #1

Don't let money worries get in the way of your dream of becoming a doctor

Scholarships are offered to assist financially disadvantaged medical students to study the MBBS course or equivalent at a university in Queensland.

A one-off award of \$10,000 will be paid to up to three applicants in 2025.

Applications are open NOW,
and close 5pm AEST 31 March 2025.

Am I eligible?

Applications will be considered from students who are:

- ▶ Studying an MBBS course or equivalent at a university in Queensland as a full-time student,
- ▶ Holding a GPA of 4.0 or above.
- ▶ An Australian Citizen, New Zealand citizen or Australian permanent visa holder.

JUNIOR DOCTOR CONFERENCE FRASER COAST

Sat 17 – Sun 18 May 2025

UNISC Fraser Coast Campus

Join us on the Fraser Coast for this year's *Junior Doctor Conference* and discover the professional and lifestyle opportunities awaiting you! Hear from inspiring doctors who have walked in your shoes, make friends and meet important contacts and enjoy the nightlife. You'll leave the conference refreshed, inspired and ready to take on the world.

The Conference Program will be created by the AMA Queensland Committee of Doctors in Training.

The Fraser Coast is known for its lifestyle, liveability and location. It's the home of World Heritage-listed natural gems, unique diving experiences, safe beaches and the number one place to watch humpback whales play. Come and see for yourself!

If you register for this event, but are then rostered to work the weekend 17 and 18 May, we'll provide a full refund. Please let us know as soon as you get your roster as we require seven days' notice of cancellations to meet our catering and venue obligations or to make the ticket available to your colleagues on a waitlist.

REGISTER NOW

Sunshine Coast University Private Hospital Part of Ramsay Health Care

CEO of Ramsay Australia, Carmel Monaghan, and QLD State Executive Manager, Adam Stevenson, stand with the Executive team and nursing staff at Sunshine Coast University Private Hospital in one of three new, state-of-the-art theatres, as part of a multi-million-dollar redevelopment.

What does it mean to be 'people caring for people'?

We approach our work every day through three key values known as The Ramsay Way.

1. We value strong relationships

Healthy working relationships lead to positive outcomes for all. We look out for the people we work with, and we respect and recognise them. Strong, healthy relationships are the foundation of our stakeholder loyalty.

2. We aim to constantly improve

We do things the right way. We enjoy our work and take pride in our achievements. We are not afraid to challenge the status quo to find better ways.

3. We seek to grow sustainably

Maintaining sustainable levels of profitability are only part of our success. We prioritise long term success over short term financial gains because we care about our people, planet and community.

To find out more visit <https://www.ramsayhealth.com.au/>

Ramsay is Australia's largest private hospital operator, with over 70 hospitals, clinics and surgical centres across the country. Queensland makes up for 21 of these facilities.

Why Ramsay Health?

We are committed to supporting new specialists in private practice. Maximise your practice's potential within the Ramsay network through our tailored support, wealth of resources, expert mentorship, and growth opportunities. Join Ramsay Health Care to leverage our quality reputation, cutting-edge facilities, and collaborative community for a thriving independent practice.

CREATE CHANGE

Connecting future doctors to rural career pathways

The University of Queensland Regional Training Hubs supports the growth of regional and rural medical training opportunities.

Are you interested in building a life and career in regional or rural Queensland? Do you want to know if you can complete your pre-vocational training in these areas?

We can help you navigate the complex vocational training pathways for generalist and specialist training in Central Queensland, Wide Bay and Southern Queensland.

Where you train is just as important as what specialty you pursue.

Central Queensland

T: 07 4931 2913, E: rthcq@uq.edu.au

Wide Bay

T: 07 4130 1900, E: rthwb@uq.edu.au

Southern Queensland

T: 07 4633 9700, E: rthsq@uq.edu.au

Looking to start something new?

About Ipswich Hospital

Ipswich Hospital, operated by West Moreton Hospital and Health Service, is the largest facility in the region and services a population of more than 325,000 people.

It provides surgical and coronary care, and specialist services, including orthopaedics, obstetrics, paediatrics, palliative care and rehabilitation.

About Ipswich

Ipswich is a major regional city, about 40 minutes from the Queensland capital of Brisbane and just over an hour from Gold Coast beaches.

Known for its heritage sites and proximity to national parks, Ipswich is a hub for sporting competitions, craft breweries, eclectic cafes and art galleries.

Offering a slice of history with modern touches, Ipswich has everything you need to kickstart your health career in Australia.

Why work for us

- professional development
- paid study leave
- salary packaging
- allowances

Your Pathway to a Medical Career with Wide Bay

With the largest health infrastructure investment our region has ever seen – where will you be in 2027?

The opening of the new Bundaberg Hospital is the largest health infrastructure investment our region has ever seen with the inclusion of 29 additional emergency department treatment spaces as well as 2 additional operating theatres, including capability of cardiac procedures.

No matter whether your speciality is Emergency Medicine, Surgery, Obstetrics and Gynaecology or Intensive Care Medicine, the new state-of-the-art facility is your gateway to career growth.

Building a bigger and better hospital will deliver the community more quality healthcare closer to home, reduce wait times, and improve the overall patient experience. It will also provide enhanced and integrated teaching and training environments

for our current and future doctors, nurses, allied health and non-clinical professionals.

Your career opportunities with Wide Bay will be ever growing as our Hospital and Health Service continually expands to cater for our growing population.

In recent months we have celebrated the opening of the new Fraser Coast Mental Health Inpatient Unit (FCMHU) at Hervey Bay Hospital.

With stage one of the FCMHU complete, the new 22-bed facility is already having a profound impact on mental healthcare services. Our Psychiatry Medical Officers are joined by a multi-disciplinary team, including Nursing and Allied Health staff.

Wide Bay HHS offers RMOs:

- Great access to consultants and senior staff with fantastic teaching and training opportunities

- Rotations are offered and grouped to suit different career paths including physician training, emergency training, Dip Obs, Dip Paeds
- Career guidance and mentoring from the Director of Clinical Training and Medical Education Officer

Medical Officers who relocate to the Wide Bay may be eligible for relocation and accommodation assistance along with registration and visa support.

Blessed with pristine waterways, unspoilt coastline and an encapsulating diversity of landscapes – be forever changed by the beauty of the Wide Bay region.

From shoreline to hinterland, take a chance to progress your career and discover your desired lifestyle with Wide Bay.

Biographies

Sav Angi

Partner, Cutcher & Neale

Sav Angi works closely with his clients to get insight into their unique personal and financial circumstances, and help them reach their goals. He enjoys working in partnership with clients to explain and implement wealth creation strategies such as effective tax structuring and debt reduction, while not losing sight of the important objective of asset protection. He has more than 30 years of experience in taxation, superannuation and finance.

Nicole Brown

Partner, Cutcher & Neale

Nicole is passionate about working with clients to assist in wealth creation and wealth accumulation strategies. Nicole takes the time to understand their goals and motivations to provide them with tailored advice. Working closely with clients to better understand their needs, she draws on years of experience to help clients achieve their goals. Nicole focuses on a holistic approach, which allows her to manage compliance needs for clients as well as personal risk, wealth management, superannuation and finance needs.

Pierre Citta

Business Development Manager, Doctors' Health Fund

With more than two years of experience in the healthcare insurance industry, Pierre Citta specialises in crafting tailored solutions for doctors and medical professionals that address the unique needs of medical professionals, ensuring peace of mind for both practitioners and their patients by using a deep understanding of the evolving healthcare landscape.

Dr Claudia Collins

Rural Generalist Training Advisor, Queensland Rural Generalist Pathway

Dr Claudia Collins works as the Senior Medical Officer and Lead Clinician at Yulu-Burri-Ba, based on Minjerribah (North Stradbroke Island), caring for and working with the Quandamooka People of the Bayside region. She has been working within the Aboriginal and Islander Health Sector for the last 10 years, and is passionate about Indigenous Health and working towards health equity for First Nations People. Dr Collins graduated from James Cook University School of Medicine. She is a product of the Queensland Rural Generalist Pathway, and a former Queensland Rural Health Scholarship Scheme (QHRSS) holder. She holds fellowship with ACRRM and has advanced skills in Indigenous Health. She also holds an associate fellowship with RACMA and works as a Rural Generalist Training Advisor with the Queensland Rural Generalist Pathway, supporting and guiding trainees who are pursuing a Rural Generalist endpoint.

Dr Maureen Dingwall

**Neonatologist and Director of Clinical Training
Mater Hospital, South Brisbane**

Dr Maureen Dingwall is a Neonatologist at Mater Mothers' Hospital, and Senior Lecturer at University of Queensland. She is passionate about education, focusing on continually changing modes of education and involvement of the learner (medical students, junior doctors, nursing, midwifery or allied health), and interdisciplinary teaching to gain overall knowledge of what occurs in healthcare. Dr Dingwall also has a special interest in quality and safety improvement in the workplace. With the complexities of healthcare – finance, resources, inter/intradisciplinary, location and access to areas – cultural awareness and incorporating families/patients/consumer involvement is important when implementing a 'change' and maintaining continuous improvement.

Peter Fahey

**CEO, Sunshine Coast University Private Hospital (SCUPH)
Ramsay Health**

Peter is the CEO of the Sunshine Coast University Private Hospital (SCUPH), the Sunshine Coast's newest private hospital. Peter's background as a Registered Nurse has enabled him to travel the world and work in many countries including the UK, the Arabic Peninsula, and Australia. Peter expanded his studies into business and healthcare leadership which has now brought him to the Sunshine Coast after 10 years in Canada, with almost 8 of those years as a CEO of a hospital there. Peter is passionate about staff development, quality care, integrating research into clinical practice and providing patients with the best possible care and access to ground-breaking treatments. Peter is strong advocate for promoting the core values of Ramsay Health Care known as 'The Ramsay Way' being People caring for people, building and maintaining strong relationships, aiming to constantly improve at what we do, and seeking to grow sustainably.

Zac Herps

Managing Director, Hillhouse Legal Partners

Zac Herps has been a dedicated contributor to the Hillhouse Legal Partners team, during which time he has transitioned from lawyer to Managing Director in 2017. Mr Herps is proud to honour the Hillhouse legacy by working in partnership with clients, while continuously improving the systems, management and day to day operations of Hillhouse Legal Partners. Motivated to deliver superior service for his and Hillhouse clients, Mr Herps is highly experienced and knowledgeable in the areas of corporate and commercial law, with a strong background in litigation.

Dr Matthew Hope

Surgical Lead, Metro South Health Clinical Networks | RACS

Dr Matthew Hope is a dual qualified orthopaedic specialist with a special interest in foot and ankle surgery. He completed his medical degree at the University of Edinburgh before completing his specialist orthopaedic training and being awarded his Fellowship of the Royal College of Surgeons of Edinburgh. Dr Hope performs all types of foot and ankle surgery including, trauma, sports injuries, complex deformities, reconstruction, and joint replacement. His sports trauma work also sees him regularly treating state and national sportspeople alongside many young state representative athletes.

Dr John Inderhaug

**Director, Clinical Training at Hervey Bay Hospital
Wide Bay Hospital and Health Services**

Dr John Inderhaug describes himself as having a Norwegian surname with an Irish accent. He graduated and trained in Ireland before moving to regional Queensland. Dr Inderhaug holds both FRACGP and FACEM. He is passionate about showcasing the opportunities to work, live and train in Regional Queensland.

Biographies

Naomi Iten

Program Manager, Doctors' Health in Queensland (DHQ)

Program Manager Naomi Iten has been working with Doctors' Health in Queensland (DHQ) since 2018 where she provides support for the *GP On Call Panel* and attends to the organisation's general administrative duties. Naomi has a Master of Health Management, a Diploma of Medical Practice Management, is a trained pathology scientist, understands health issues, and is comfortable communicating with doctors and medical students. She is integral to the support for the promotion of DHQ and its services, keeping the online presence responsive to the needs of Queensland's medical community.

Michaela Kime

Medical Workforce Officer, Central Queensland Hospital and Health Service (CQHHS)

Michaela Kime is a medical workforce officer at Central Queensland Hospital and Health Service (CQHHS) in Rockhampton. She has been with CQHHS for five years, first supporting geriatrics before moving to the Emergency Medicine Education and Training Program Support Office. Since early 2022, she has coordinated the recruitment and appointment of doctors in training. With extensive knowledge of medical officer employment arrangements, term rotations, and training opportunities, Michaela plays a key role in workforce planning and development, ensuring the smooth operation of medical training programs across the health service.

Dr Yan Lee

Senior Medical Educator & Regional Medical Educator, RACGP

Dr Yan Lee is a GP and Royal Australian College of General Practitioners Medical Educator. His GP work extends from his practice at a clinic in Victoria Point to the two high school clinics he runs as part of the GPs in Schools program. As a medical educator, he is the Prevocational and Hospital Medical Educator lead for Queensland, where he looks after GP registrars completing their enrolled hospital year prior to commencing a community GP term. Dr Lee is also a local medical educator, running hub education sessions for GP registrars in Brisbane's South.

Dr Sara Lucas

Clinical Training Director, Sunshine Coast Hospital and Health Service

Paediatric Training Network Director, Queensland General Paediatric Training Network

Dr Sara Lucas is a Paediatrician and Director of Clinical Training at the Sunshine Coast Hospital and Health Service (SCHHS), where she has worked since 2021. She is also the Paediatric Training Network Director for the Queensland General Paediatric Training Network. Having completed her training in communities across the state, Dr Lucas has interests in diabetes and regional medicine, as well as teaching, supervising and mentoring. A keen supporter of mental health, she hopes to provide a workplace where the trainee is supported, creating a safe environment for learning. She believes that working in medicine involves lifelong learning and hopes to motivate and encourage this in everyone.

Dr Emily Moody

Senior Medical Officer (Rural Generalist), Boonah Health Services | ACRRM

Dr Emily Moody is a dedicated rural generalist from Cairns currently working as a senior medical officer at Boonah Hospital within the West Moreton Hospital and Health Service. She has extensive experience in delivering primary and secondary care and anaesthetic services to various rural Queensland facilities and community practices. Passionate about rural health advocacy and medical education, Dr Moody holds concurrent positions with the Queensland Rural Generalist Pathway, the Australian College of Rural and Remote Medicine's Fellowship Education Program, the Queensland Clinical Networks Executive, and the Queensland Rural and Remote Clinical Network. She has also completed a Healthcare Improvement Fellowship with Clinical Excellence Queensland.w

Dr Graham Pasternak

**Clinical Director Mental Health, Alcohol, Other Drugs Services
Mackay Hospital and Health Service**

Dr Graham Pasternak earned a Bachelor of Medical Sciences and a Master of Science in Canada before completing his Bachelor of Medicine at the University of Queensland in 2015. He trained at Mackay Hospital and Health Service, where he was offered a staff specialist role after fellowship training. This led to several opportunities to develop his leadership skills, enabling him to secure his current position as the hospital's Clinical Director of Mental Health, Alcohol, Other Drugs Services and Acute Care Team Staff Specialist. Backed by an excellent workplace culture, Dr Pasternak strives to provide care that is patient friendly and empowers individuals to take a principal role in their own recovery.

Associate Professor Bhavesh Patel

Senior Paediatric Surgeon, Better Kids | RACS

Associate Professor Bhavesh Patel works as a paediatric surgeon in public and private practice in Brisbane and on the Sunshine Coast. He is the State Clinical Lead for Surgical Quality Improvement at Clinical Excellence Queensland and leads the Australian Paediatric Collaborative for the National Safety and Quality Improvement Program. He is also an Associate Professor at University of Queensland and an Honorary Adjunct Associate Professor at Bond University. His interests include systems design, education, technology, digital health, AI, patient engagement, and health.

Dr Alison Roper

**Director, Medical Services Workforce
Sunshine Coast Hospital and Health Service**

Dr Alison Roper is the Director of Medical Services Workforce at Sunshine Coast Hospital and Health Service (SCHHS). A specialist GP by background, she completed training in the UK before migrating to the Sunshine Coast in 2008 where she worked in a local community practice for over 10 years. Dr Roper has since worked at the SCHHS since 2012 in a variety of operational and leadership roles including Director for BreastScreen and Clinical Director for the Queensland Program and Community and Preventive Health. She has completed additional fellowships in breast medicine and medical administration and enjoys working with her team to support and improve conditions for medical officers.

Dr Jennifer Schafer

Medical Director, Doctors' Health in Queensland

Dr Jennifer Schafer is GP with experience in medical education, clinical research, medical media, and organisational governance. As a self-confessed multitasker, she combines her clinical roles with her work as the Medical Director for Doctors' Health in Queensland, Board Chair of Brisbane North Primary Health Network, patron for the University of Qld Medical Society, and a member of multiple committees for not-for-profit organisations.

Colonel Craig Schneider

Specialist General Practitioner, ADF Careers

Colonel Craig Schneider is a specialist general practitioner with a background in public health. Since completing his Bachelor of Medicine at the University of Queensland in 2008 under a defence scholarship, he has completed a Bachelor of Applied Science, Graduate Certificate in Public Health, Master of Medicine in Skin Cancer and is completing a Master of Public Health and Tropical Medicine. After completing his Fellowship of the Royal Australian College of General Practitioners, he transferred to the Army Reserve in 2016 where he currently manages the casual health specialist workforce in South Queensland. He splits his civilian work time between general practice and a specialist dermatologist practice.

Biographies

Dr Harsheet Sethi

Director, Acute Surgical Unit Princess Alexandra Hospital | RACS

General and hepatobiliary surgeon Dr Harsheet Sethi is currently Director of the Acute Surgical Unit and Training Supervisor at the Princess Alexandra Hospital in Brisbane. She also sees patients through her private practice where she operates at Mater Private Hospital Brisbane. With a Masters in Surgical Education from Imperial College London, Dr Sethi is dedicated to teaching through her affiliations with the University of Queensland as a senior lecturer, senior instructor at courses run by Royal Australasian College of Surgeons, and the medical education unit at the Princess Alexandra Hospital.

Dr Alisha Thomson

**Medical Administration Registrar
Townsville Hospital and Health Service**

Dr Alisha Thomson grew up in Townsville and did her MBBS at James Cook University. A passionate advocate for diversity in medicine and organisational wellbeing, she joined RACMA with a view to support her colleagues to deliver better patient care by being safe and supported by healthcare organisations. Having worked as a junior doctor at Townsville University Hospital, Dr Thomson is happy to provide an honest account of the experience of doctors in training to anyone considering a future at Townsville Hospital and Health Service (THHS). Say hello at the THHS stand and learn more about Townsville's 300 + days of sunshine per year.

Professor Brian Wood

Geriatrician and General Physician, RACP

Professor Wood is a Geriatrician and General Physician at Redland Hospital and the Metro South Movement Disorders Service as well the RACP Adult Medicine Division (AMD) President Elect. Professor Wood completed his medical degree at the University of Aberdeen and trained in Geriatric and General Medicine in the Northeast of England (including a fellowship in Sydney). He also completed a two-year teaching and research fellowship studying falls in Parkinson's disease obtaining a doctoral degree. Emigrating to Queensland in 2016 with his family, Professor Wood became a Senior Staff Specialist at Redland Hospital; along with maintaining an education interest, becoming a Professor at Griffith University and is one of the medical directors of the Queensland physician training network.

Dr Caroline Yates

**General Practitioner and Medical Education Lead
Royal Flying Doctor Service**

Dr Caroline Yates is a General Practitioner with a passion for working in under-served communities. With a background in rural primary health, rural emergency care, Aboriginal medical services and refugee health care, she has a wealth of experience in addressing diverse healthcare needs. Her commitment to equitable healthcare led her to join the Royal Flying Doctor Service Queensland, where she provides vital GP services to remote areas. Dr Yates combines her clinical role with medical education for RFDS, and as a consultant to other health care organisations.

Dr Nick Yim

**General Practitioner
President, AMA Queensland**

Dr Nick Yim works as a General Practitioner in Hervey Bay. He is a Fellow of the Royal Australian College of General Practitioners after achieving his MBBS from Griffith University, Gold Coast. He is a passionate medical educator and hosts registrars and medical students in his practice. As a previous pharmacist, he acknowledges the importance of multidisciplinary care to ensure patient care.

**While you are busy
looking after your patients,
who's looking after
your rights at work?**

**ASMOFQ is YOUR union...
run by doctors, only for doctors.**

asmofq

AUSTRALIAN SALARIED MEDICAL
OFFICERS' FEDERATION QUEENSLAND,
INDUSTRIAL ORGANISATION OF EMPLOYEES

Your membership allows **ASMOFQ** to:

asmofqld@asmof.org.au
07 3872 2222
asmofq.org.au

- ▶ negotiate the best possible employment terms and conditions under the Medical Officers' Certified Agreement (MOCA)
- ▶ negotiate other industrial agreements for doctors employed outside of Queensland Health such as Mater, Royal Flying Doctor Service and Lifeblood
- ▶ advise you on your employment rights and entitlements
- ▶ assist you with interpretation of your industrial agreement, Award, policies/procedures, directives and any other legislation applicable to your employment (which can be complex)
- ▶ deal with issues relating to your employment on an individual or collective level
- ▶ work with you to resolve workplace disputes or grievances, including representing members in the Queensland Industrial Relations Commission (QIRC)
- ▶ assist you with navigating payroll problems
- ▶ advocate for the consistent application of employment entitlements across various Hospital and Health Services (HHSs) in Queensland
- ▶ support you should you have performance-related issues
- ▶ fight for doctors' health and safety at work, such as appropriate fatigue management and proper fit-testing of N95/P2 respirators

DID YOU KNOW?

ASMOFQ membership is included as part of AMA Queensland membership. AMA Queensland members are automatically members of ASMOFQ at no additional cost.

Join by calling us on 07 3872 2222 or emailing asmofqld@asmof.org.au.

Please note: we can only assist you if you are a member. Like insurance, we cannot provide cover for pre-existing issues.

ASMOFQ becomes stronger with each additional member. With your help we will continue to fight for and achieve better conditions, decent pay and outcomes for all hospital doctors in Queensland.

Benefits of joining AMA Queensland

Professional networking

Stay connected with colleagues and peers in the medical field. Networking leads to new opportunities, collaborations, and knowledge-sharing. It's not just who you know, it's who others know. Networking is powerful.

1

Visibility

Stand out from the crowd with the AMA Careers Service. Let us help you create an application that gets you noticed. Free with your AMA Queensland membership.

2

Advocacy and representation

Advocacy for doctors of all specialties and at all stages of their career, from doctors in training needing support, practice owners, hospital doctors, private specialists and senior active doctors. Let us speak for you when you cannot speak out.

3

Protection

Be protected and secure at work with the support of ASMOFQ to negotiate pay and conditions, and resolve industrial matters including underpayment, award interpretations and unfair reprimands.
