

Host: Dr Nick Yim - GP, AMA Queensland President

Grow your medical practice with expert insights

Are you looking to expand and strengthen your medical practice? Want to refresh your approach with sustainable strategies? Join AMA Queensland's *Private Practice Refreshed* Seminar series to gain the knowledge and tools needed to build a thriving, long-lasting practice.

Join us for a team-building MasterChef experience, networking and learn from the sessions below:

Cutcher & Neale: Grow your practice so it's built to last (20 mins)

Secure your spot to gain practical, expert strategies on structuring your practice for long-term success and sustainability. This session will equip you with budgeting techniques, growth pathways and actionable insights to ensure your practice thrives well into the future.

Learning outcomes

- Structure right today, thrive tomorrow
- The four ways to grow your practice
- Budgeting to ensure practice sustainability
- Practical tips to support future growth

Hillhouse Legal Partners: Key legal considerations for growing a thriving private practice (10 mins)

Tailored for doctors seeking to expand or strengthen their practice, Craig will discuss how to assess whether your current consultants are aligned with your growth goals, how to review and refine your business structure, and how to ensure your legal documentation supports sustainable expansion. He will also cover critical areas including intellectual property, privacy compliance, and employment agreements, all essential for protecting and scaling your practice. Additionally, Craig will address considerations around practice premises—whether to buy or lease—as well as estate planning and asset protection strategies.

Learning outcomes

- Understand how to align your legal and business advisors with the growth objectives of your private practice.

- Learn how to review and optimise your practice's legal structure and documentation to support sustainable expansion.
 - Gain insights into key legal areas including intellectual property, privacy compliance, and employment agreements essential for practice protection and scalability.
 - Explore legal considerations for practice premises, estate planning, and asset protection to support long-term success and security.
-

Mercury IT: What every private practice needs to know about AI and cybersecurity (30 mins)

Cybersecurity is a growing concern for all business owners, including those in private practice, as attacks become more frequent and impactful each year. In the age of AI, protecting your business and your patients' privacy is crucial.

Learn how to safeguard your practice against AI-driven cyber threats. Complacency can be costly, and the consequences of insufficient security measures can be devastating

Learning outcomes

- Understand why your practice is as much of a target as any other business
 - How cybercriminals are leveraging AI for smarter attacks
 - AI-powered proactive security strategies and dark web monitoring
 - Protect sensitive patient and staff information in the AI era
 - Steps you can take now to improve your cybersecurity resilience
-

Insurance Insights Panel (20 mins)

- Get expert answers on why premiums are rising and how to reduce your practice and indemnity insurance costs.
 - Ask your own questions in the live Q&A or submit questions prior to the event
-

Local Private Practice Panel (30 mins)

Dr Nick Yim will chair this panel discussion addressing the challenges and successes experienced by GPs and specialists across Queensland. This is your chance to have your voice heard and gain insights into advocacy efforts that impact your practice and patient care outcomes. AMA Queensland campaigns to all levels of government on issues that affect you and health outcomes for Queenslanders.

Hear directly from Queensland GPs and specialists as they discuss:

- challenges
- workforce issues
- building and maintain referrals
- advocacy shaping your profession

The program is subject to change. If there is something you would like to see in the program, please email events@amaq.com.au and we will do our best to accommodate.
